DETAILED ACTION

Conclusion

1. This application is in condition for allowance except for the following formal matters:

(1) The abstract of the disclosure (submitted January 17, 2002) is objected to because it is not contained on a single sheet of paper and is over 150 words in length; and (2) Claim 55 is objected to since the dependency is clearly in error as it refers to the *sense* circuit of claim 53 and not the *source* circuit of claim 45 from which it currently is based. It is suggested that the dependency be changed to depend from claim 53.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
